1. CPC Funding Projects

- a. Two projects discussed for possible Community Preservation Coalition (CPC) funds: Historic hearse house and Marble Fence Posts
- b. Hearse House – This building, used for storage, needs repair. It is of historic significance per historical commission and therefore, worthy of saving. After discussion about cost estimates on repair, it was determined that this project could be partially (at least) funded with CPC funds and possibly with Massachusetts Historical Commission (MHC) funds as well.
- c. Fence Posts – The commission voted at an earlier meeting that \$11,700 could be spent to replace: 1 granite corner post, 2 granite fence posts, and 3 chipped or cracked marble posts at the corner of Church and Main Streets.

**MOTION: To submit two projects to CPC for funding of the Hearse House (based on a 2019 estimate of \$78,000), and for the replacement of fence posts for \$11,700. Williams will prepare Hearse House CPC application and Marshall will prepare CPC Fence Post application. APPROVED**
