

Stockbridge Board of Health

November 18, 2020

Minutes

Present: Rae Williams, Henry Schwerner, Charles Kenny. The meeting was called to order by Chairman Kenny electronically at 11:00 AM. The meeting was designated an emergency meeting. No prior agenda was published.

New business: Dr. Kenny notified members of the imminent closure of the Glendale Post Office and the consequent rerouting of its mail to the town's Post Office. It was agreed that this would bring many extra people into town in an already dangerous epidemic situation and create a hazardous situation with respect to the public health.

A motion was made to consult town counsel to try to stop or at least delay the closure. The motion was seconded and approved unanimously.

There being no further business, the meeting was adjourned by Chairman Kenny at 11:30 AM.

Respectfully submitted,

Charles Kenny MD, November 18, 2020
