Present from the Commission were Chairman Carl Sprague, Jorja Marsden, Chantal Rhine, Pam Sandler, and Secretary Peter Williams. The meeting's agenda, date, time and place were duly posted by the Town Clerk on the Town website at least two business days in advance of the meeting. Chairman Sprague presided over the meeting.

Minutes

The Commission unanimously approved the draft minutes of its meeting of June 15, 2022.

6 Arthur Fiedler Lane

The Commission considered an Application for Alteration with respect to the cottage ("the Cottage") at 6 Arthur Fiedler Lane, filed with the Commission on August 11, 2022. The application was filed by the owners of the Cottage, Michael and Ellen Martin. Anthony Barnaba, architect for the Owners, attended the meeting and spoke in favor of the application.

The Commission members had previously reviewed the Application and its supporting exhibits, and Mr. Barnaba summarized them at the meeting. The estimated date of the oldest part of the Cottage according to the Assessor is 1965. The Cottage is not listed in any Historical Commission records. Based upon the presentations made and documents reviewed at the meeting, the Commission determined by a unanimous vote that the Cottage is not a Significant Historic Building under Article XXII of the Town Bylaws (Historic Preservation and Demolition Delay).

Adjournment

The Commission adjourned the meeting at 4:15 PM.
