

# *Stockbridge Fountain Committee*

Minutes from July 14, 2022, 7:35am

Meeting location: Cat and Dog Fountain, corner of Main Street and Route 7 South

The meeting was posted as required by MA Open Meeting Law at the Town Offices and on the town website.

Meeting commenced: 7:35am

Meeting adjourned: 7:55am

Committee Members Present: Carl Sprague, Kate Fletcher, Bob Jones

Also attending: Dana Bixby from Dana Bixby Architecture, Mike Buffoni, Water and Sewer Superintendent, was Hugh there?

Discussion:

Water depth: The water will come to within about 2" of the coping bottom. Dana said we will not need a subsurface infiltrator because Mike Buffoni will do pipe. Dana has provided Allen Williams with a drawing and template.

Electric meter: Dana said it cannot be buried due to state code but it can be moved to under the tree. It will need to be addressed at the same time as the basin.

Bob asked if we will have the capability to increase the power for the mist? Dana asked if we need a backflow preventer, Mike said we do not.

Dana asked if you would manage volume from a secondary valve? Mike said there would be a copper valve, a 3/4" ball valve, he will send the specs to Dana.

Respectfully submitted,  
Kate Fletcher
