

Why do I need Prescription Advantage?

“Why do I need Prescription Advantage?” This question is often asked. Many say, “I don’t need it. I already have a Medicare Part D plan” or “I have coverage from my former employer.” Even with Part D or other coverage, **there are many reasons to join Prescription Advantage, including:**

- It does not replace your existing coverage, it supplements it;
- It can lower your co-pays if you reach that coverage gap, also known as the “donut hole”;
- It allows you to change your Medicare plan outside of Medicare’s open enrollment;
- At certain income levels it’s FREE!

Prescription Advantage also provides benefits for individuals age 65 and older who are not eligible for Medicare, as well as those under age 65 with a qualified disability.
